

COVID-19 Safety Measures

In an effort to love all of our neighbors well and be a place where everyone feels welcome, we ask that these precautions be in place for all Village meetings and events.

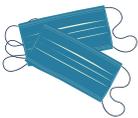

LIMITED GROUP SIZES

All Village in-person gatherings will be limited in the number of people able to attend based on the Regathering Level at the time. This is currently 25 people or less.

ROLL CALL

All events will require attendance or registration that will collect basic contact information. This will help us maintain recommended gathering sizes and will assist us in contact tracing should that be needed.

MASK UP

Masks should be worn at all times when inside and/or around those outside of your family unit/pod. If social distancing cannot be maintained outside, please wear masks.

AIR HUGS

We are a friendly group of people - that has always been a trademark of The Village! In order to love everyone well, we ask that social distancing be practiced at all in-person gatherings. This means sitting & standing in your family unit/pods 6 feet away from others (kids included). Air hugs are always welcome!

BYO

No food or beverages should be served or shared.

NO GERMS

We've all heard these over and over again - and for good reason! Wash your hands frequently, use hand sanitizer, and cover your mouth & nose when sneezing or coughing.

WE LOVE YOU

If you or anyone in your household is in a highly vulnerable category, let us know how we can support you while you maintain a higher level of caution - especially if that means staying home.

DON'T FEEL WELL?

Please stay at home if you have been in contact with someone who tested positive for COVID-19 in the past 10 days or have experienced/been in contact with anyone experiencing the following symptoms in the past 72 hours:

- Unusual cough or shortness of breath
- Loss of taste or smell
- Sore throat or other flu-like symptoms
- Vomiting or diarrhea
- Fever of 99.9 degrees or greater
